Progress on Drainage!

The Calcasieu Parish Police Jury voted to approve a revised drainage ordinance at last night's meeting. As we've reported before, APG and the Drainage Task Force we initiated has worked diligently on needed revisions. We are very pleased that several changes had already been made and last night, the Police Jury adopted 4 of the 5 changes that remained outstanding. While we will continue to advocate for a Master Drainage Plan, these modifications are a credit to the work of the Task Force, efforts by the APG board, the APG Drainage Committee, the APG Ordinance Committee, and CPPJ.
